Clad Hinged Doors

Rhino Doors

THE STRENGTH TO PROTECT

## Rhino-HCL Bespoke Hinged Clad Doors

Purpose designed hinged steel door sets designed to support site fixed panels that match surrounding stone or metal cladding.

**Configurations:** Single and double leaf, single swing with optional over panels  
Personnel and over size constructions

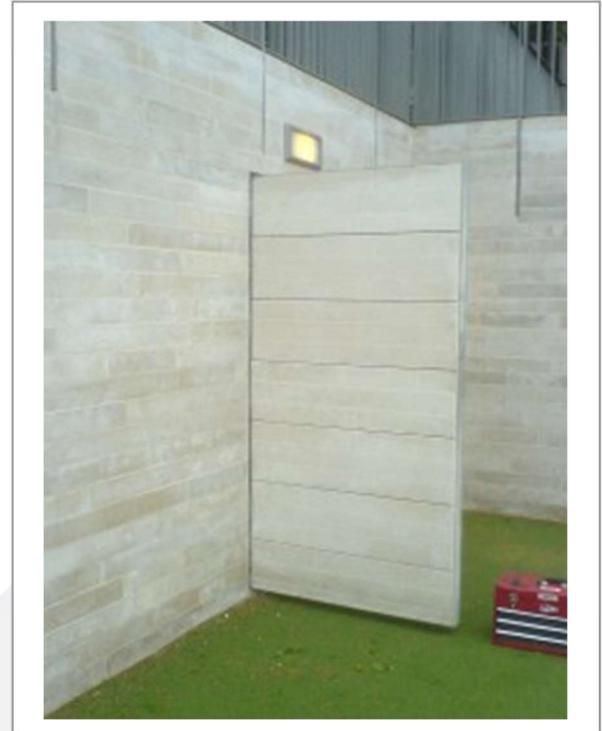

**Leaf:** 40 & 60mm thick with galvanized steel skins, an insulated core, internal stiffeners and face brackets for hanging cladding panel

**Frame:** Galvanised steel sections designed to suit structural opening arrangements and cladding panel weights

**Typical Ironmongery:** Deadlocks  
Internal pull handles  
Cranked hinges  
Top and bottom surface mounted shoot bolts to retain the inactive leaf on double doors

**Finish:** Polyester powder coated to 25 microns in any RAL or BS colour

**Suitable Substrate:** To be mechanically anchored directly to structural steel or masonry substrates
